IP Attorney Wanted

Daikin has an open IP Attorney position in Houston. Please click [here](#) to learn more about or apply for the position. If you have any questions about the position, please feel free to contact [me](#).

About Daikin

Daikin is the World's No. 1 air conditioning company. Our products are sold in over 140 countries, generating over \$20 billion in annual revenues. In North America, Daikin's main research facilities are in Silicon Valley, Minneapolis, and Houston. And Daikin has chemical research and manufacturing facilities in Decatur, Alabama.

Position

The IP attorney will be based in Houston and will support all of Daikin's operations in the Americas. This attorney will help manage the full breadth of Daikin's IP efforts, including direct prosecution, licensing, clearance searches, litigation, and privacy management.

The Company provides equal employment opportunity to all employees and applicants regardless of a person's race, color, religion (including religious dress or grooming practices), creed, national origin (including language use restrictions), citizenship, uniform service member or veteran status, ancestry, disability, physical or mental disability (including HIV/AIDS), medical condition (including cancer and genetic characteristics), genetic information, request for protected leave, marital status, sex, pregnancy, age (over 40), sexual orientation, gender, gender identity or expression, political affiliation, or any other characteristic protected by law. The Company will comply with all federal and state regulations and statutes pertaining to individuals with disabilities.
